Color: A Natural History of the Palette by Victoria Finlay This was an interesting book, but it was more a travel memoir than "a natural history of the palette." Another book by the author, THE BRILLIANT HISTORY OF COLOR IN ART, is a far more informative book for learning about the history of color in art. Color A Natural History of the Palette: Victoria Finlay ... I love art history books but am aware that many have better use, curing insomnia. Although this book was more and two hundred pages, it was a wonderful, well researched, attention grabbing narrative about the history of color, the difference between pigment and dye , the search for "forgotten" recipes and human sentiment around the globe to color. Even the epilogue and bibliography are useful and easy to follow. Color: A Natural History of the Palette | SHADOW.COM ... The Paperback of the Color: A Natural History of the Palette by Victoria Finlay ... â€“ Simon Winchester, author ofThe Professor and the Madman. â€“ Simon Winchester, author ofThe Professor and the Madman.
