This Splintered Silence by Kayla Olson This Splintered Silence is written in a very specific style, one that leans very heavily on repetition and emdashes. It's a style that heightens drama and can be quite quotable, but it's not a style that I personally enjoy. This Splintered Silence Hardcover - amazon.com A gorgeously written, tautly plotted thriller. I inhaled this book and relished the twists and turns it took. I love the way This Splintered Silence weaves science, technology, grief, panic, and the nuance of human relationship into a tightly woven web--and an ending I never saw coming.
